

Show Dad you're a "chip" off the old block

We know cookies say it sweeter. So why not show Dad how giant your love is this Father's Day with a giant cookie from Paradise. We'll customize it any way you want and have it ready for pickup June 21. This is so much better than a tie ... and Dad can't burn it on the grill either!

Sweet success for "Cookies for a Kid"

With the help of all of our guests in Arizona, we were able to send a \$31,001.51 check to Free Arts of Arizona to help abused, homeless and at-risk children. April was Child Abuse Prevention Month and PB&C donated 10 percent from the sale of its cookies during the month to help this wonderful non-profit organization. Free Arts' goal is to inspire and transform these children's lives through the power of artistic expression. This is the second year in a row that our guests have helped us to help others.

WE WON!

Thank you, Arizona. We're blushing with pride.

Thank you Arizona for voting Paradise Bakery & Café the **best bakery** and the **best dining spot to find a deal on kid's meals**. It's been a pleasure serving you for more than 30 years.
